New Multi-Agency Safeguarding Policy and Procedures

The North Yorkshire SAB is one of seven SABs who came together to form a consortium using joint policies and procedures – the others being;

- Bradford
- Calderdale
- Kirklees
- Leeds
- Wakefield and
- York

The Board has been working to prepare for the introduction of revised Multi-Agency Safeguarding Adults Policy and Procedures. There will be more in keeping with the principles of Making Safeguarding Personal where the focus is on whether the individual's outcomes have been met.

Looking forward to 2019/20

- The new Local Safeguarding Partnerships
- New Multi-Agency Safeguarding Policy and Procedures
- Liberty Protection Safeguards
- Safeguarding Conference 2019

Priorities for 2019/20

- Work more closely with communities in North Yorkshire to develop strategies that reduce the risk of abuse, and help improve services
- Implement and embed the new Multi-Agency Safeguarding Policies and Procedures, in line with national guidance and best practice around MSP
- Develop a whole community approach to the prevention of abuse
- Develop North Yorkshire's response to National Priorities
- Understand and assess the impact of changes in the strategic context within which the Board operates

Making safeguarding everybody's business in North Yorkshire
