

One Minute Guide to the

North Yorkshire
Safeguarding Adults Board

We are working together to deliver our Strategic Priorities

What this means for the people of North Yorkshire

Empowerment "I am asked what I want as the outcomes from the safeguarding process and these directly inform what happens".

Prevention "I receive clear and simple information about what is abuse, how to recognise the signs and what I can do to seek help".

Protection "I get help and support to report abuse. I get help to take part in the safeguarding process to the extent to which I want and to which I am able".

Proportionality "I am sure that the professionals will work for my best interests, as I see them and will only get involved as much as needed".

Partnership "I know that staff treat any personal and sensitive information in confidence, only sharing what is helpful and necessary. I am confident that professionals will work together to get the best result for me".

Accountability "I understand the role of everyone involved in my life".
